

MPI's Chief & Command Staff Executive Development Series

Welcome to MPI's Chief & Command Staff Executive Development online training course!

In addition to this course information outline, you will receive an email from support@mpitraining.com containing a one-time password creation link for the learning management system (LMS). After completing this step, please use this link when accessing the LMS and course content: <https://mpitraining.litmos.com/account/Login>. If you do not receive this email, or you are an existing LMS user and need a password reset, please reach out to dawn@mpitraining.com.

The courses and additional resources/handouts for each module (if applicable) will be accessible under the "Additional References" tab for each module on the LMS.

If you exit or pause video during a module, it will resume where you left off. Module 1 must be completed before Module 2 will unlock and so forth.

A discussion board is available for the duration of the course. Please use this discussion board to ask questions and interact with participants. You may also reach out to an instructor via email or telephone. Instructor information is available on the following pages.

If you are interested in purchasing our Public Safety Guides that compliment your training topics, we have created a bundle option at a 25% discount for Executive Development attendees. Additional information can be found [here](#).

Should you need assistance, please email dawn@mpitraining.com
